Dear Chief Borchardt,

SUBJECT: SAFETY TOWN

I take great pleasure in offering Richardson Bike Mart  
Frisco Fire Department's Safety Town project.  
especially those relating to cycling, are near and dear to  
Safety Town will promote an increased awareness of  
children and help them to more safely enjoy their  
lives.

Our experience with supporting Lance Armstrong  
encouraged us to support people and programs who  
Town is such a program and it is truly an honor to be  
Sponsor of Safety Town in a community that has  
Bike Mart in Frisco.

Best regards,

Jim Hoyt

Dear Chief Borchardt:

On behalf of WFAA-TV (Channel 8), *The Dallas Morning News* and Texas Cable News (TXCN), we are excited and honored to be the first tenant in the Frisco's new "Safety Town." We believe that the education of children is critical, and that teaching them about weather safety at a young age is important.

Our commitment to Collin County is evident. Last April Belo Corp. launched *The Dallas Morning News* Collin County Edition, and WFAA moved into a full time newsroom up the street at the Dr Pepper/7 Up Ballpark. We now have a pair full time news reporters and photographers based in Frisco that routinely report on the news and happenings in Collin County
